

# Bicycle tour and rental

PIKALA is a non-profit that uses the bicycle to create education, job-opportunities for youth and to have positive impact on the city.

PIKALA was established in 2016 during COP22 and currently offers cultural bicycle tours as an eco-responsible experience to uncover hidden gems of Marrakech while enjoying a sunny bicycle ride.

All profits generated from our activities go towards financing our social and educational programs.

To book a tour, please visit our website: [www.pikalabikes.com](http://www.pikalabikes.com).
